Your event, your way

The industry is rapidly changing, which provides a unique set of challenges for those developing and manufacturing biosimilars. Gain true insight on winning development, manufacturing, clinical and commercialization strategies for biosimilars in the global market.

Navigate the challenges in the clinic, and the manufacture and development of biosimilar medicines as well as explore the commercial hot topics in the industry. This is your best chance to find out where the true biosimilar industry growth opportunities lie and what role they can play in your portfolio.

Call +44 207 092 1210 or email tayyab.abbasi@terrapinn.com
On the 10-11 February 2016, we’re bringing together senior representatives from leading biopharmaceutical companies across the globe to discuss the science and the business strategy of biosimilar drug development.

These individuals will give essential insights into the opportunities for growth and future threats to the biosimilars industry.

It’s rare to have these experts all together under one roof! Book now to hear the core components needed to achieve commercial success.

**Key speakers**

**Sandeep Athalye**  
Vice President and Head, CDMA, Biosimilars, Boehringer Ingelheim  
The future of the biosimilar industry - mapping the evolution and development of the biosimilar sector

**Malcolm I Mitchell**  
Senior Medical Fellow, Clinical Pharmacology, Eli Lilly & Company  
A clinical pharmacologist’s view of biosimilars

**Caroline Boulliat**  
Immunology Franchise Head Biosimilar EMA, Hospira  
Analysing current market trends to understand how to drive biosimilar commercial success

**Klaus Martin**  
Senior Director, Business and Product Development, Polpharma Biologics  
Development and process considerations for biosimilars

**BOOK NOW**

Call +44 207 092 1210 or email tayyab.abbasi@terrapinn.com
Reasons to Attend

1. Dig deep into the scientific foundations at the core of biosimilar development
2. Understand how to translate regulatory expectations into trial concepts with global best practice strategies in clinical trial design and execution
3. Master biosimilar manufacture, process development and scale up
4. Find out where the true biosimilar industry growth opportunities lie and what role they can play in your portfolio
5. Identify innovative tools and techniques for immunogenicity
6. Understand how to operate in the regulatory environment in Europe, Asia and America with input from key regulatory bodies
7. Gain an investor’s perspective and understand what this means for your business
8. Review recent partnering and M&A activities and the resulting impact on the biosimilar industry
9. Double your opportunities - choose to attend Biosimilars Drug Development World or the parallel World Generic Medicines Congress to learn and network with colleagues across both events
10. Transform good science into a better approval process and increase patient access

“Interesting topics, high level speakers, fruitful discussion”
Clinical Program Leader | Boehringer Ingelheim

“Very good networking opportunities”
Attorney at Law | Duane Morris
**Biosimilars Process and Development Strategies**

### Conference Day One | Wednesday 10th February

<table>
<thead>
<tr>
<th>Time</th>
<th>Session</th>
</tr>
</thead>
</table>
| 13:45 | PEER TO PEER ROUNDTABLES: Implications of increasing pricing pressure regimes and required market strategies.  
Michael Esars, General Manager, Recordati.  
Maximising growth opportunities to be gained from fast growing dynamic markets.  
What is a sustainable price for a generic and how do you go about achieving it?  
Frances Cloud, Founder, Pharmacloud. |
| 14:15 | Development and process considerations for biosimilars.  
Klaus Martin, PhD, Senior director, Business and Product Development, Polpharma Biologies. |
| 14:45 | Adressing the immunogenicity of Biosimilars.  
Meenu Wadhwa, Principal Scientist, Cytokines and Growth Factors Section, Biotherapeutics Group, NIBSC, MHRA. |
| 15:15 | Afternoon refreshments. |
| 15:45 | Clinical development strategies for Biosimilars.  
Dr. Karsten Roth, Director Clinical Operations, Cinfa Biotech GmbH. |
| 16:15 | Assessing the commercial opportunities and viability of follow-on products.  
Sophie Opdyke, Vice President, Commercial Development, Biosimilars, Global Established Pharma BU, Pfizer. |
| 16:45 | Closing remarks from the chair. |
| 17:00 | Drinks party. |

**CONFERENCE DAY TWO | Thursday 11th February**

Your opportunity
- Grow long term relationships by arranging meetings with top prospects
- Speak and demonstrate thought leadership
- Increase brand awareness and positioning

Why sponsor
- Generate new business leads and develop relationships
- Build brand presence and raise brand profile
- Showcase latest products and innovations to prospective buyers
- Promote new services to prequalified clientele
- Meet new business partners and suppliers
- Educate pharma and biotech companies

Who will you meet
- Full Service CRO’s
- Niche CRO’s
- Contract Manufacturing Organisations
- Logistics
- Drug sourcing / Comparator drug sourcing
- Law Firms
- Lab Services

“Great speakers and topics relevant to today’s competitive generic marketplace”
US Director Generic Channel Strategies | Greenstone LLC

“An excellent event, good overview about the generics worldwide and future trends”
General Manager | Fresenius Kabi-Labesfal Generics

Networking

We know the importance of networking and offer an experience which allows you to do just that. With the bespoke networking portal, dedicated networking managers and peer-to-peer partnering, we ensure that you get the most from your time on site. With 2 events running in parallel, you will be able to meet more connections in one place.

Download our networking app

Download our networking app to get organised and get in touch with all attendees before the event.

Use the Total BioPharma portal to:

- Plan your sessions
- Build a personalised agenda
- Identify exhibitors to visit
- Set up onsite meetings with key executives.
- Network with other attendees

Your networking manager

Take advantage of this dedicated and personalised meeting service. Hold meetings with pre-qualified partners arranged by your networking manager in your private on-site meeting room.

Keep all your messages, appointments and favourites at your fingertips and continue networking whilst you’re there. You can still use the networking tool within the app for a full year after the event so you can follow up with anybody you’ve missed down the line.

Formats to excite

PARALLEL CONFERENCE TRACKS

One great interactive event with two complementary conference tracks. Biosimilar Drug Development World Europe brings together decision makers, influencers to provide a true insight on the best development, manufacturing, clinical and commercialisation strategies for biosimilars in the global market. While World Generic Medicines Congress Europe shares the latest market trends, innovative commercial strategies and opportunities for growth. Pick and choose the right track for your learning, networking and business needs.

ROUNDTABLE DISCUSSIONS

Pick a roundtable that focuses on the industry challenge of highest priority to you. Each round table host will open a topic up for discussion and debate. This is your opportunity to contribute, discuss, engage, share ideas and learn directly from your peers. This informal setting may generate some different perspectives and innovative solutions you haven’t considered before…

NETWORKING LUNCHES

Make the most of your time outside the conference room with our networking lunches. This is your opportunity to benefit from informal chat, explore the exhibition hall and meet some new business contacts.

PARTY

Let your hair down after a busy day at our fun party. Join us at the end of day 1 for Vdrinks, music, nibbles, and a few surprises

SOLUTION PROVIDER EXHIBITION

Explore the exhibition hall during dedicated breaks and meet with solution providers that offer innovative services and technologies. You can be sure to meet those that can help fast-track your evidence generation strategy.

SPEED NETWORKING

Put some faces to names with this fast and fun networking session. Rotate around the room and meet, greet and exchange business cards as you go. Create the first links with potential business partners.
