# WORLD VACCINE CONGRESS WASHINGTON

#### 25TH ANNUAL

March 30 - April 2, 2026 Walter E. Washington Convention Center, Washington DC

R&D + Strategic Partnering for the global vaccine industry

CREATED BY

### Our Story

The World Vaccine Congress Washington event is the largest and most established vaccine conference and exhibition of its kind across the globe, dedicated to learning and partnering for the industry.

Following a record attendance in 2025 of 4,000+ attendees, the World Vaccine Congress Washington will be back on March 30 - April 2, 2026 brining together the most senior and informed industry experts across the entire vaccine landscape.

We will continue to cover vaccine progress in:

- Infectious Diseases
- Cancer Immunotherapy
- One Health and Veterinary Vaccines
- Clinical Development
- Manufacture

- Safety
- Supply
- Market Access
- Emerging Infectious and Chronic Diseases

From basic research to commercial manufacture, this one meeting covers the whole vaccine value chain where science, government and manufacturers all come together to create ground- breaking progress.

This is the most important meeting will be part of in 2026.

#### **Pandemic Platforms**

The most promising platforms that can be used for an outbreak, from pathogen adaptability to speed, scale up and implementation.

#### Cancer & Immunotherapy

Global market leaders will come together to share the latest in early-stage scientific advancements, present clinical trial data, discuss new formulations of cancer vaccines and assess the future of combination treatments.

#### Influenza & Respiratory

This track will give the latest updates in RSV, influenza, pneumococcal, pan- and combinational vaccines across maternal young and eldering populations.

#### **Emerging & Re-Emerging Diseases**

The WHO blueprint has helped focus what the priority pathogens are, but where are the gaps in our knowledge in order to prepare for disease X? Look at the lessons learned in pandemic preparedness from Ebola, Mpox, Malaria, Dengue, Nipah, Chikungunya to name a few.

#### **Clinical Trials**

This focused clinical development track will allow you to showcase your expertise or learn from those involved in running new trial designs, challenge models and correlates of protection. Come to these sessions to understand how move your vaccine candidates through development phases to licensure.

#### Bioprocessing & Manufacturing

Join this track to meet with the manufacture and bioprocessing leads who need services for all of the latest manufacturing challenges, from formulation to incorporating adjuvants, improving mRNA platforms, VLPs and viral vectors, to technology transfer and decentralised manufacturing.

#### Veterinary

An increased focus on one health and cross boundary zoonotic infectious diseases has made these sessions extremely topical. Join these sessions to see how the human and veterinary experts are joining forces to battle emerging threatening diseases from avian influenza, pandemic preparedness to the consequences of climate change.

#### **Partnerships**

Expand your network and partner internationally at these partnering session. From public private partnerships, government funding to venture capitalists. this track provides a space for those directly involved in cementing the details of partnerships with big pharma, biotechs, academia and non-profit organisations to share their case studies and gain insight into best practice. Join in the afternoon to hear the most promising vaccine startups and showcase pitches.

#### Vaccine Safety

This focussed vaccine safety track will allow you to listen and learn from key thought leaders in this space, as well as to showcase any solutions that are greatly needed in order to revolutionise and replace outdated ways of working. Furthermore, escalating incidences of vaccine-refusal makes the importance of effective communication paramount, so join us to present your most successful strategies.

#### **Supply & Logistics**

During the "decade of vaccines" the introduction of new vaccines, the vaccination of groups beyond infancy and tackling the equity gap in providing vaccines to all has meant that outdated immunization supply chains have been overstretched and have outgrown their ability to cope - come to these sessions to learn how we are dealing with the supply demands and the technologies that will allow last mile delivery.

#### Market Access

The market access track will take a deep dive into understanding the dynamics governing global vaccine markets and what interventions can be made to ensure a more resilient public health infrastructure.

#### **Immune Profiling**

At the intersection of precision medicine and vaccine design, the immune profiling conference explores recent efforts into infectious disease modelling, immune characterization and T/B cell interplay. Showcasing multifacted technology platforms and powerful tools like multi-omic analysis, to offer deeper insights into the immune system, tailoring vaccines to individuals, and unlocking new avenues to advances early vaccine development.

### Event Features

#### WORLD LEADING PRESENTATIONS

Unpublished data and case studies from the most sought after KOLs across the whole vaccines

#### **PANEL DEBATES**

We have curated panels of 4-5 industry experts to debate some of your burning questions. You'll be able to watch them live and pose questions directly the panellists.

#### **NETWORKING**

With a dedicated Networking App you can search attendees from 4 weeks out, to set up meetings at specific times across the event at private tables

#### **EXHIBITION**

With three full days of exhibition, extended breaks and receptions, you will have even more time to meet cross sector contacts with thousands of attendees from the vaccine community.

#### PARTNERING LOUNGE

New for 2026 and exclusive for those sponsors who book the Partnering Platform Packages, we will have a dedicated Partnering Lounge for facilitated meetings to take place in the exhibition hall with your key target clients.

The start-up zone will provide a unique environment to meet VCs looking for early stage opportunities as well as companies across pharma, biotech, healthcare, academia, chemicals, food, animal health and the community that serves them.

"We've had an excellent show, meeting both current and prospective customers, welcoming attendees to our Happy Hour and presenting to full rooms. "

# NEW PARTNERING PLATFORM AT WORLD VACCINE CONGRESS WASHINGTON 2026

### **Connect with the Right People, Effortlessly**

Unlock Exclusive Access to Vaccine Industry Leaders

Our new Partnering Platform is designed to give sponsors and top vaccine KOLs and leaders unparalleled access to the most influential decision-makers in the industry. With prearranged, high-value meetings and an exclusive Partnering Lounge, this is your chance to build meaningful connections that drive real business impact.

### WHO?

#### Meet the Right People

Gain exclusive access to a carefully curated group of vaccine leaders, including key decision-makers from the buy-side.

Unlike traditional networking, our Partnering Platform ensures that your time is spent meeting the right people, your potential partners and prospective clients, not searching for them.

### WHERE?

#### **Exclusive Partnering Lounge**

Unlike the general Networking Zone, the Partnering Lounge is a premium-access space available only to select sponsors and vaccine leaders. Designed for high-level conversations, the lounge offers:

A comfortable, quiet space for meaningful discussions

- Pre-scheduled meetings with top vaccine KOLs
- Casual networking opportunities with industry leaders
- Refreshments, charging stations, and dedicated seating

\*For even more privacy, upgrade to a private pod or meeting room for one-on-one discussions!

### **WANT TO JOIN?**

Access is limited and available only through select sponsorship packages. To learn more about eligibility and pricing, contact Michael Hodge (michael.hodge@terrapinn.com) today.

### WHEN?

#### **Pre-Schedule & Connect Onsite**

Plan ahead and schedule meetings in advance using our Partnering Platform. Then, meet your selected contacts in the private Partnering Lounge during the event for impactful face-toface discussions.

### HOW?

#### Facilitated Meetings through our **Partnering Platform**

With our Partnering Platform, you can secure up to 6 high-value meetings with top vaccine leaders. These exclusive decision-makers, including key buy-side leaders, can only be accessed through this platform, ensuring that every meeting is meaningful and impactful.

Need more meetings? Additional meetings can be purchased in blocks. All meetings operate on a double opt-in basis, meaning both parties must agreeguaranteeing a higher level of engagement and relevance.

#### General Networking App - Open to All Attendees

Our Networking App is available to all attendees, offering an easy way to browse profiles, send messages, and

schedule meetings. Once confirmed, you'll be allocated a dedicated meeting table in the Networking Zone for a 15-minute conversation.

Note: The Networking Zone is separate from the exclusive Partnering Lounge, which is only accessible to eligible sponsors and vaccine KOLs.

### OUR PREVIOUS SPONSORS & EXHIBITORS

#### **Diamond Sponsors**

#### **Platinum Sponsor**

#### **Gold Sponsors**

#### **Silver Sponsors**

### Why Sponsor & Exhibit?

World Vaccine Congress Washington presents a unique range of marketing, lead generation and business development opportunities. Our event is structured to allow a range of specific opportunities from thought leadership keynotes, through to tailored meetings and introductions, to exhibition and display space. And so much more...

#### **SPEAKING OPPORTUNITIES**

If your company is interested in delivering a thought leadership, education or case study presentation at the event in the conference agenda, we have limited slots as per the following sponsorship packages. Stand alongside and in front of key industry decision makers to make sure your company is front of mind to those who matter.

#### **EXCLUSIVE KEYNOTE TITLE**

Exclusive to one company only, you'll have the opportunity to present in the Keynote plenary alongside a handful of the very top industry thought leaders, to the entire event audience. No other company at the event will have the same chance to position itself in the same way in your area of expertise, so offering unparalleled visibility to demonstrate your offering as the leader in your field.

#### **DIAMOND**

One of only a few companies to have the opportunity to get in front of the whole event audience as part of a Plenary Panel sessions, as a moderator or chair of the session.

#### **PLATINUM**

Presenting to a more targeted audience in your specific area of expertise, this is an exclusive opportunity to be the dedicated Track Sponsor on a particular topic area for the day, and one of the first speakers of the relevant conference track you choose. This includes branding in the room itself and on the general track signage.

#### **GOLD**

If you are looking for a platform to demonstrate and educate the leading vaccine decision makers of the full range of your services and capabilities, we have a few limited presentation opportunities within each targeted conference track to present in.

#### **SILVER**

Either chair one of the conference track sessions relevant for your business or join one of the limited relevant panel discussions.

#### **BRONZE**

Opportunity to host/moderate an interactive working group discussion on a topic of your choice.

#### **WORKSHOP SYMPOSIUM**

Host a workshop or lunch symposium for up to 3 hours, providing an opportunity for your team to engage with a more targeted audience on topics of your choice.

#### **EXCLUSIVE PARTNERING PLATFORM**

New for 2026 we will have a dedicated Partnering Lounge for facilitated meetings to take place in the exhibition hall. Exclusive for those sponsors who book the Partnering Platform Package meetings, our team and system will work with you pre-event to help you select key targets and arrange your meetings onsite.

### Packages

Premium sponsorship packages are for innovative companies serious about making their mark. Sponsorship packages are tailored to meet your specific marketing goals. The grid below is a guide to what you can expect at each level.

| BENEFITS                                    | Title | Diamond | Platinum | Gold | Silver | Bronze | Exhibitor                 | Biotech<br>Showcase |

#### **PARTNERING PLATFORM PACKAGES**

Pack of up to 6 pre-scheduled meetings

Exclusive access to key KOLs at the event

Access to
Exclusive NEW
Partnering
Lounge Area

Option to upgrade for more meetings

Option for Private Pod or Meeting Room

### Other Branding Options

#### REGISTRATION DESK SPONSOR

Exclusive opportunity to have your logo on the Registration/ Information Desk that all the thousands of attendees will use over the event and see.

### EXHIBITION FLOORPLAN SPONSOR

Exclusive opportunity to have your logo on the Exhibition Floorplan that attendees will use over the event, and to have your exhibition booth highlighted on this floorplan so its front of mind for anyone looking at the map.

### SPEAKER LOUNGE SPONSOR

Exclusive opportunity to have your logo on the boarding surrounding the Speaker Lounge area on the exhibition floor, that the event speakers will be using over the event.

### CHILL & CHARGE AREA SPONSOR

Exclusive opportunity to have your logo on one of the charging stations that attendees use over the event.

# EXHIBITION HOSPITALITY NETWORKING RECEPTION HOST

After the conference ends, there will be the opportunity for a number of Exhibitors to purchase Drink / Happy Hour packages from the caterers to offer for attendees to join them for networking opportunities. We will advertise all exhibition booth drinks reception hosts on our networking platform to all attendees with individual messages on your behalf, to help drive traffic to your booth for the reception and make people aware of what you are offering.

### EXHIBITION HOSPITALITY F&B

During each day of the conference/exhibition, there will be the opportunity for all Exhibitors to purchase drink and food packages from the caterers to offer for attendees to join them for networking opportunities at their booth. It's a great opportunity to help drive traffic to your booth with the offer of free food or drinks and we are encouraging as many exhibitors as possible to do this. For those who do purchase anything we will advertise your company on our networking platform to all attendees with individual messages on your behalf explaining what you are offering and help people know they should head to your booth.

#### **NETWORKING RECEPTION**

Opportunity to be the exclusive Networking Drinks / Dinner Reception host sponsor for one of the evenings. Complimentary drinks will be offered for all the attendees of the conferences to enjoy on your behalf. Opportunity for a 5-minute opening welcome address to the reception. Banners, theming and branding will be visible throughout the reception with your logo.

#### **EVENT LANYARDS OR BAGS**

The exclusive Delegate Lanyard or Bag Sponsorship enables your company to have a superior level of branding at the event, where the client can provide their own branded lanyards (or bags), which will be worn by all attendees throughout the whole event. The sponsorship opportunity is limited to one sponsor only.

### Calling for Start Ups

We are calling out to the world's most exciting start-ups to exhibit their businesses at World Vaccine Congress Washington 2025.

It will provide a unique environment to meet VCs looking for early stage opportunities as well as companies across pharma, biotech, healthcare, academia, chemicals, food, animal health and computer science and the community that serves them.

#### **BENEFITS**

Each successful application includes: The start-up opportunity includes (\$500)

#### **BOOTH**

 A 1m wide space and backboard where the start-up logo is professionally printed on

#### Other benefits:

- 2X full access pass
- Access to Terrapinn Events App to pre-arrange 1-1 meetings at the Congress on private pre-booked tables
- Access to Networking Reception Drinks
- Branding on event materials & marketing awareness from the Congress
- Listing on event Web Pages

#### Additional Options:

 Upgrade to have a 5 minute pitch at the Start Up Stage to introduce your company and recieve feedback

#### Eligibility:

- Less than 5 years old
- Less than 15 employees

Contact Stan Dooley now on +44 (0) 204 614 9433 or email Stan.Dooley@terrapinn.com to secure your position

#### 31 March 2026

### SHOWCASING EXCELLENCE IN THE GLOBAL VACCINE INDUSTRY

The 19th Annual ViE Awards 2026 will once again be a part of the World Vaccine Congress Washington event, to celebrate the industry's most outstanding achievements. With 13 categories, these awards have been created to honour and generate recognition of the efforts, accomplishments, and positive contributions of companies and individuals in the vaccine industry.

If you're interested in sponsoring the event, please contact marc.rhys-events@terrapinn.com
